Frequently Asked Questions

WHERE DO I PARK?

There is parking in the Windsong parking lot, but also overflow parking at Jacob White Construction. If parking at Jacob White, be sure to walk through the open gate of the Windsong parking lot (see map below) and not along FM 528. We want to ensure no attendees are parking in a location which makes them cross FM 528 in order to attend our Windsong Winter Festival.

HOW DO I GET IN?

The Ticket Booth (located outside the cafeteria - red pin below) will be located next to the entrance. If you have your wristbands, you get to walk right in, or visit the Ticket Booth for Will Call wristbands or to purchase that evening.

DO I NEED A WRISTBAND?

Only children attending need wristbands, this includes siblings and friends who accompany your Windsong student. All activities are included in the wristband, except food.

HOW DO I PURCHASE?

You can purchase online at WindsongPTO.org/fundraiser/windsong-winter-festival or wait and purchase at the Ticket Booth the night of the event with Cash or Venmo.

HOW MUCH ARE WRISTBANDS?

Wristbands purchased in advance are \$15 (online orders ends Nov 29th). If you purchase at the Ticket Booth on the evening of the event they will be \$20 (cash or Venmo).

HOW WILL I GET MY WRISTBANDS?

Wristbands purchased in advance will be sent home on December 1, 2023 in your child's backpack. If you choose Will Call at checkout, your wristbands will be waiting for you at the Ticket Booth the evening of the event.
